April 2018 Newsletter

Dear Teton Photography Group Member -

Happy April! We hope you'll be able to join us for one of our meetings this month or visit our member's exhibition at Teton County Library gallery through April 25. If you're not in the area, make sure to participate in our photo topic Thursday's on our Facebook page.

Our regular monthly meeting is April 9 at 6pm in the large conference room at Jackson Hole Real Estate Associates. The meeting will feature Steve Mattheis who will discuss some of his favorite Jackson Hole images from 2017, including stories of how the images were made, thought processes while making the images, camera settings, processing thoughts, and image selection. Questions and audience discussion will be encouraged. Visit Steve's site at www.sgm.photography.

The Peer Mentor group will be meeting on **Wednesday, April 11 at 6pm** in the conference room at the Art Association. This month's theme is textures and patterns. If you're interested in improving your photography and haven't been to a **Peer Mentor Group** meeting yet, you really should try it out! The Peer Mentor Group is committed to developing a comfortable learning environment in which every question is respected, where everyone is at ease sharing their photographs for our critique, and where our goal is to help everyone improve their photography. If you would like to join the Peer Mentor Program or have questions, contact Randy Isaacson risaacso@iusb.edu for more information.

Have a great April!
