

Teton Photography Group

June 2018 Newsletter

Dear Teton Photography Group Member -

June is shaping up to be a great month with lots of wildflowers here in the Tetons. Since the weather is so great we only have a couple of activities this month so you can maximize your time in the field.

This month we're combining the regular TPG meeting with the Peer Mentor Meeting. Join us on **Wednesday, June 13 at 6 pm** at the Art Association conference room. This month's theme is flowers.

The Peer Mentor Group is committed to developing a comfortable learning environment in which every question is respected, where everyone is at ease sharing their photographs for our critique, and where our goal is to help

everyone improve their photography. If you would like to join the Peer Mentor Program or have questions, contact Randy Isaacson risaacso@iusb.edu for more information.

A couple other things to look forward to in July is the Photographer in the Environment put on by the Grand Teton Association on **July 7 at 5pm at Oxbow Bend**, the other event is Teton County Library is hosting photographer Jim Herrington on **July 19 at 6:30pm** where he'll speak about and show slides from his newly published book "The Climbers," a book of portraits of legendary rock climbers that took a couple decades to make.

Have a great month and happy shooting!

Beth
