September 2018 Newsletter

Dear Teton Photography Club Member,

It's hard to believe the summer is at an end. With the beginning of September here in the Tetons the foliage is beginning to turn. We have several events through the month that we hope you'll be able to attend if you're in the Jackson area.

This month we will combine our photo shoot with the Grand Teton Association's Photographer in the Environment, at Schwabacher's Landing with Henry Holdsworth on **Saturday, September 8 at 7:00 am**. We will have our critique on Wednesday, September 12.

Our monthly meeting will be on **Monday, September 10 at 6pm at Jackson Hole Real Estate Associates**, 80 West Broadway, Jackson. This month we're celebrating summer by asking members to bring 3-4 of their favorite or best photos of the summer on a flash drive to the meeting where we'll discuss the images.

The Peer Mentor Group will be on **Wednesday, September 12 at 6pm at the Art Association** of Jackson Hole's Conference Room. This month's theme is "Night Photography."

The Peer Mentor Group is committed to developing a comfortable learning environment in which every question is respected, where everyone is at ease sharing their photographs for our critique, and where our goal is to help everyone improve their photography. If you would like to join the Peer Mentor Program or have questions, contact Randy Isaacson risaacso@iusb.edu for more information.

Have a fantastic month and get some great images!
