NEWS FROM THE TETON PHOTOGRAPHY CLUB

February 2020

Dear Member,

Welcome to February! I hope you're getting some great winter photos wherever you may be. This month is packed with fun things to do with the club.

Member Photo Spotlight

www.drachle.com © 2020

This month's featured photo is from member Rachael Dunlop.

f6.3, ISO320, 1/60 sec, 300 mm
Canon 7D Mark II, EF70-300 mm f4.5/5.6L IS USM

Shot through the windshield of the snow coach, post-processing in Topaz Sharpen AI version 1.4.5

Would you like to see your picture featured? We'd love to include your image in the monthly newsletter. Every month I'll select a photo submitted by one of you, our awesome members. To submit, email me at news@tetonphotographyclub.org Include the photo, your name, shooting data, and a few sentences about your image.

Mark Your Calendar

- **Wednesday, February 5, 6pm:** Our monthly winter critique sessions are back beginning tomorrow, in the small conference room on the second floor of the **Jackson Hole Real Estate Associates** office at 80 West Broadway. We host this informal image critique and discussion sessions where photographers of all levels of experience are invited to share images for discussion and constructive comments. These sessions have been among our best educational experiences for photographers from novice to professional.

Participants should bring 2-5 edited raw images on a USB device for presentation and live editing. (This is best done by exporting your processed files as a DNG file on your thumb drive.) Not all images may be discussed but we try to review at least one image from each participant.

- **Wednesday, February 12, 6 pm:** The Peer Mentor Group #1 meets at 6pm at Meridian Trust. Theme: Black and White.

The TPC Peer Mentor Program is looking forward to a great 2020 with a number of important steps forward. The PMP pages on the TPC website (<https://tetonphotographyclub.org/our-groups/peer-mentor-program/>) have been upgraded to share the goals & history of the program, the monthly themes with articles, a photo gallery from past monthly theme winners, and a special page for "How to Become a Monthly Peer Mentor." If you are an amateur photographer who is committed to improving his/her photography you might want to contact Randy Isaacson (events@tetonphotographyclub.org) about joining.

- **Wednesday, February 19, 6pm:** Our monthly general meeting will feature Mike Jackson. The meeting is located at JHREA at 80 W. Broadway, Jackson in the upstairs meeting room. Local photographer and creator of the [Best of the Tetons](#) blog, Mike Jackson, will be reviewing many of best photos from instagram. Hopefully, Mike will give

us a few of his secrets for wildlife photography.

- **Wednesday, February 26, 6pm:** The Peer Mentor Group #2 meets at 6pm at The Beast. Theme: Panoramas.

The TPC Peer Mentor Program is looking forward to a great 2020 with a number of important steps forward. The PMP pages on the TPC website (<https://tetonphotographyclub.org/our-groups/peer-mentor-program/>) have been upgraded to share the goals & history of the program, the monthly themes with articles, a photo gallery from past monthly theme winners, and a special page for "How to Become a Monthly Peer Mentor." If you are an amateur photographer who is committed to improving his/her photography you might want to contact Randy Isaacson (events@tetonphotographyclub.org) about joining.

- **Wednesday, March 4, 6pm:** Our monthly winter critique sessions are back beginning tomorrow, in the small conference room on the second floor of the Jackson Hole Real Estate Associates office at 80 West Broadway. We host this informal image critique and discussion sessions where photographers of all levels of experience are invited to share images for discussion and constructive comments. Participants should bring 2-5 edited raw images on a USB device for presentation and live editing. (This is best done by exporting your processed files as a DNG file on your thumb drive.) Not all images may be discussed but we try to review at least one image from each participant.

From the President

TPC members,

As we enter February I want to give a big thanks to Michael Cohen for organizing and leading the Yellowstone Winter Photography trip. Along with the many bison and elk one usually sees the group had a great encounter with the Wapiti Lake wolf pack and some very cooperative big horn sheep. Looking forward the board is investigating shorter less expensive group outings. If you have any input please let me know.

Following the yearly meeting in January the board voted to add two new members. Please welcome Lou Hochheiser and Barney Koszalka to the TPC board. We all look forward to their input and knowledge.

Also everyone should take a look at the calendar and newsletter for our upcoming events.

Hannv shontinn

Happy shooting!
David Navratil

Did You Know?

Thanks to one of our new executive committee members, Barney Koszalka, we have a couple of astrophotography items he thought might be of interest to the rest of us!

The West Coast calendar he generated is for Death Valley but we are close enough in latitude (36.5 vs 43.4 degrees) so one only needs to make the adjustment in time zone. The write up also includes good tips on night shooting and when to shoot the MW as an arch across the sky.
