

August 2020

Dear Member,

Welcome to August! Summer still has lots of great opportunities. We have a few things going on in the next few months.

Member Photo Spotlight

This month's image is from Barney Koszalka of a pano he did up at Colter Bay. It is comprised of individual eleven images, vertical format stitched in PS. The camera was an IR modified Nikon D800 (830nm) with a Zeiss 135mm f/2 at f/11, 1 sec exposure, ISO 320.

Would you like to see your picture featured? We'd love to include your image in the monthly newsletter. Every month I'll select a photo submitted by one of our awesome members. To submit, email me at news@tetonphotographyclub.org Include the photo, your name, shooting data, and a few sentences about your image.

Happenings

- **Wednesday, August 25, 7pm:** Virtual Peer Mentor Meeting.
Both peer mentor groups will meet via the video meeting software, Zoom. Instructions will be mailed to members of these groups.

The August Theme Challenge is Lens Flare/Starburst/Sunburst which gives all the

peer mentors plenty of opportunity to get some great shots since we seem to be having nothing but sun in August. There are a number of good article about our sunny-theme in the PMP-Monthly Theme Articles in the TPC website (<https://tetonphotographyclub.org/our-groups/peer-mentor-program/pmp-theme-articles/>). If you are interested in joining the Peer Mentor Program, please contact Randy Isaacson (events@tetonphotographyclub.org) for information.

The Peer Mentor Program had their Virtual Peer Mentor July meeting with a Vanishing Point Challenge. There were lots of great photos submitted. Here are the top three:

Barney Koszalka, 1st

David Navratil, 2nd

Randy Isaacson, 3rd

- **Wednesday, September 16, 6pm:** Our final contest of the year! Details coming soon.
- **Winter 2021:** Our annual Yellowstone trip is tentatively scheduled. Details coming soon.

From the President

All,

As I mentioned in the July newsletter the Executive Committee is refining how we hold online meetings and contest. Good progress has been made on the how we present the photos and we will have an improved voting process as well. In addition we will also be dividing the competition in September into different tiers. Keep checking your email this month for details on the September Contest. The TPC continues to plan for the 2021 Yellowstone Winter Trip. There will be an announcement coming in the next few weeks with all the details.

Stay safe and happy shooting.

David Navratil
