

December 2022

Remembering Lou Hochheiser, MD

On November 23rd, the Teton Photography Club and the community of Jackson lost a beloved and valued member and leader, Lou Hochheiser. Lou was a long-time academic physician and veteran serving in Vietnam. When he retired from academics at age 80, he moved to Jackson to be close to family and rekindle his love for outdoor photography.

Lou joined the TPC and became active in the Peer Mentor Program and then joined the Executive Committee in 2019 and was helpful in guiding us through member programs during the pandemic. I was fortunate to get to know Lou and his wife, Margaret, share meals with him, and visit his home multiple times as we discussed American healthcare, education, and, of course, working on his thousands of wonderful images.

Lou was a kind and gentle person of high intellect and integrity. He believed in public service and worked tirelessly to improve patient care and administrative hurdles at St. John's Medical Center. He was elected to the hospital Board of Trustees but passed away 5 days after being sworn-in. He will be missed by the entire Jackson community.

From the President

Members,

I want to congratulate all the participants and the winners of the Landscape Contest. We had a very high quality of submissions which made it difficult for our judge to come up with the winners. I thought the judge did an outstanding job of critiquing each photo.

I look forward to seeing many of you at the Holiday party on Tuesday, Dec 20th. I wish everyone a Very Happy Holiday Season!

Happy shooting!
